NOTE: The college is asking you to provide information that includes private information under U.S. state and federal law. You are not legally required to provide the information the college is requesting; however, the college may not be able to effectively process your application if you do not provide sufficient information. Access to this information will be limited to college officials, including faculty who have legitimate educational interests. Under certain circumstances, U.S. federal and state laws authorize release of private information without your consent. This may happen in cases where the information is sought by a U.S. court system or otherwise permitted by other state and federal laws; or, to an organization engaged in educational research or an accrediting agency.

South Central College (SCC) is committed to the principles of equal education and employment opportunities without regard to race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, or membership or activity in a local commission as defined by law and in accordance with College policy. These principles are applied in the conduct of College programs and activities and the provision of facilities and services.

Importance of Name Consistency

To avoid problems and delays, ensure that all of your documents reflect the same name, exactly as it appears on your passport. Do not use “nicknames” or partial names on any documents including your passport, I-20, entry visa stamp, I-94 card (completed in the airplane) and any additional documents that you acquire after your arrival in the U.S.

Health Insurance

All international students are required to purchase health insurance through an insurance company that is partnered with South Central College. Any exception to this policy can be discussed with the SCC Designated School Official (DSO). Students will be billed for the insurance via their student account. Health insurance forms can be obtained from your DSO and should be filled out immediately after arriving in the U.S.

Financial Statement and Legal Bank Statements

Legal Bank and Financial Statements must be notarized, translated into English, and must be converted into U.S. currency figures. The bank statement should be current at the time of submitting your SCC application. One set of these statements will be submitted to the Bureau of Citizenship and Immigration Services to obtain your F-1 Visa. The second set of these statements will be submitted to SCC. The bank statement should show that the balance is greater than your estimated annual educational and living expenses while you study at SCC. If you have a sponsor, your sponsor must submit an Affidavit of Support (I-134) with the documentation described above showing a balance that is greater than your estimated annual educational and living expenses while you study at SCC. (Annual educational and living expenses may include but not be limited to tuition and fees, books, housing, food, transportation, health insurance, and other expenses. Additional funds may be needed for summer.)

**Obtain Your Visa**

It is a requirement to enter the United States (U.S.) with the correct Visa. You must apply for an entry Visa stamp for your passport to enter the U.S. on a student status. F and J Entry Visas can be obtained outside of the U.S. by visiting a U.S. embassy or consulate. To apply for an entry Visa, follow the steps below:

1. **Pay the SEVIS fee.**
   Most new students must pay the SEVIS fee before applying for an entry Visa or entering the U.S. This fee is assessed by the U.S. Department of Homeland Security. For details please visit fmjfee.com/index.html.

2. **Locate the Nearest U.S. Embassy or Consulate.**
   Embassy/consulate information is found at travel.state.gov. Your Visa must be obtained in your home country.

3. **Schedule an Appointment for Visa Interview.**
   After receiving your I-20, schedule your appointment as soon as possible. Your local embassy/consulate has specific instructions to schedule an appointment and these may take months to plan due to requests and security clearance checks. Approximate Visa wait times can be found at travel.state.gov.

4. **Prepare documents for your Visa interview.**
   All Visa applicants must provide the following documents:
   - Valid passport
   - I-20 document
   - Documented proof of financial support for at least one year
   - Proof of SEVIS Fee payment (receipt)
   - Visa application forms (available at embassy/consulate)
   - Any other requested document requested by the embassy/consulate

5. **Practice for your VISA interview.**
   When applying for a non-immigrant Visa, unless you say something, it is assumed that you plan to immigrate to the U.S. permanently. During the interview prove that you only intend to study temporarily in the U.S. and that you intend to return home. Speaking in English, truthfully answer all questions explaining the information below:
   - Provide reason for studying in the U.S. and program of study
   - Provide proof of sufficient funds to cover all your expenses
   - Provide strong reasons why you will return home after studying (if you own property, if you have family, if you have a job you have been offered when you return)

**Visa Denials**

If your Visa is denied, ask the embassy/consular official to provide you with a written explanation of the denial. Please email us at admissions@southcentral.edu and write “Visa Denial” in the subject line, and include your Student ID number and name to let us know that your Visa was denied.

**Visa Transfers**

You are considered a Transfer student if you currently hold an F-1 status at another institution in the U.S. and now would like to transfer to South Central College. Your SEVIS record must be transferred to SCC.

1. Contact your international advisor where you currently attend and let them know you intend to transfer. The Designated School Official (DSO) where you currently attend must transfer the VISA record to SCC. Fill out the SCC International Student Advisor Form (Page 11) and then meet with your current DSO to have them fill out their part of the form.

2. Fill out and submit the SCC Admissions Application for International Students, Financial Statement, International Student Agreement, and signed International Student Advisor Form to the SCC Admissions Office (Pages 5-11).

3. Email or call the SCC Admissions Office: admissions@southcentral.edu or (800) 722-9359 to speak with the International Student DSO about your next steps.

**Canadian Citizens**

Canadian citizens are eligible to enter the U.S. without obtaining an entry Visa in their passport, however, they must obtain an I-20 and pay the SEVIS fee before entering the U.S. Upon entry, you must present your passport, I-20, proof of financial support for at least one year, and proof of SEVIS fee payment.
Applications are reviewed once students complete the following steps:

1. Submit the following forms:
   • SCC International Student Application
   • Financial Statement and Legal Bank Statements
   • International Student Agreement
   • International Student Advisor Form (Only if in the U.S.)

2. Submit secondary and post-secondary transcripts. Records must be originals or certified and notarized Photostats and must be translated into English by a certified English translation service which can be located by visiting http://www.naces.org. Additional information on transferring credits from a University outside of the U.S. can be found below.

3. Show English Proficiency. SCC will accept one of the following options as proof of English language proficiency:
   • Test of English Foreign Language (TOEFL) www.toefl.org
   • Michigan English Language Assessment Battery (MELAB) www.lsa.umich.edu/eli/testing/melab
   • Educational Services, Inc. (ELS) www.els.edu
   • International English Language Testing System (IELTS)
   • Students transferring from another U.S. college or university may satisfy the requirement after completion of one semester or two quarters of freshman composition with a C or better grade. (Students may be asked to take an accuplacer assessment at SCC)
   • Native speaker from a country with English as the official language (shown below)

**ADDITIONAL FINANCIAL/COST RELATED INFORMATION:**

- Admission may be denied if student indicates insufficient amount of support to cover cost.

- The ESTIMATED adjusted cost of attending South Central College for a 9 month academic year is approximately $18,639. Verification of an additional $7,000 is needed if you are bringing a spouse/first dependent and $3,000 for each additional dependent.

- U.S. Homeland Security/Immigration requires that admission decisions be based on academic acceptance and evidence of adequate funds to meet college expenses for the first year and for the entire period you plan to study in the United States.

- There is no financial aid and very limited on-campus work opportunities for students holding student visas (F-1) or exchange visas (J-1). You are NOT permitted to work full-time during the nine month academic year. Dependents of F-1 visa holders, having an F-2 visa, are never permitted to work.

- The lack of adequate financial resources, as stated above, will jeopardize your status as a student in the U.S.
International Student Agreement
BEFORE SIGNING THIS FORM, PLEASE READ CAREFULLY.

By signing this form, I certify that I understand and accept the following conditions and agree to abide by them. As a condition to my admission, I agree to do the following:

- I understand that I am required to pay ALL tuition and fees by the designated payment deadline date EACH semester. If I do not pay by the deadline date, I understand I will be prohibited from registering for future semesters and my classes will be CANCELLED. I realize that if I do not register, I will have violated my immigration status.
- I will have available sufficient funds for tuition, Health Insurance, fees, and living expenses for each year I study at South Central College. I recognize that the cost of living is high, that financial aid from the College is not available, and that as a general rule international students are not permitted to work off campus. There may be limited on-campus work opportunities.
- I will take the South Central College “Accuplacer Placement Examination” before I will be allowed to register for academic studies and fulfill the requirements that result from my score on the examination.
- I am responsible for understanding the rules and regulations for being on a student visa in the United States.
- I authorize South Central College to release to any U.S. Government Officer information required to determine my compliance with U.S. Homeland Security/Immigration Laws. Further I understand that the College will report all information required by U.S. Homeland Security/Immigration Laws (such as students who are not registered, are not pursuing a full course of study or are not meeting the minimum academic standards of the College).
- I agree to purchase the Health Insurance Plan offered through South Central College as a condition of admission and continued enrollment. Exemptions may be granted only to students fully funded by their government who obtain a qualifying letter from the appropriate official Government source. Annual payment will be required with the anniversary date at the beginning of Fall Semester and on a sliding scale the following semesters.
- I agree to attend the required new student Orientation sessions. I will arrive on or before the reporting date as stated on my admissions letter and the form I-20.
- I declare that all the information I have submitted for my application for admission is true, correct and complete.
- I understand and I will comply with the requirements as stated on this agreement. I understand that falsification of any information will jeopardize the issuance of an I-20 and/or may result in South Central College revoking its decision to enroll me as a student.
- If I am a transfer student from another U.S. school, I will bring an up-to-date, current copy of my I-20 form to be given to the Office Admissions upon my arrival at South Central College.
