

SEVIS TRANSFER - OUT FORM

International Students Request to Transfer from SCC to another Educational Institution within the US

NOTE: "Transfer - out" means SCC will officially move your SEVIS F-1 or J-1 record to the new university or college to continue your degree program. To retain your F-1 status, SCC must transfer you out prior to or no later than 60 days after your degree completion or OPT end date on your EAD card.

Although you may be applying to multiple new schools, the ISO may indicate only one transfer school in SEVIS. Once you are transferred out from SCC, the new school can issue an I-20 to attend their school (if you've remained in F-1 legal status and have fulfilled all SCC obligations).

Authorization for employment including on-campus employment, economic hardship, CPT, and OPT ends when your SEVIS record is transferred and you begin full-time enrollment at the new college/university.
