2018 – 2019 Academic Year

- During the 2018 – 2019 academic year, mentors will work with their mentees to make sure they are assessing the Communication ICC.
- Mentors will talk with their mentees to see if they have incorporated the stated changes from their 2017 – 2018 Assessment Plan recommendations to improve student learning for the above ICC.
- Mentors will start discussing the inclusion of the Critical Thinking ICC into their 2019 – 2020 Assessment Plan. Mentees will add the Critical Thinking ICC to their 2019 – 2020 Assessment Plan.
- Start a conversation on how to ensure the college’s assessment work continues to align with the future state of Learning Central – the “Center for Teaching and Learning Excellence.”
- Convene the ICC Immersion Team to assess the Communication ICC. May 2019
- Research best practices on assessment which would help the college to refine and communicate an overarching strategy and well-defined plan for the assessment of student learning.
  - Course Outcomes – Program Outcomes – ICC’s (WIDS – Matrix)
  - College-wide assessment (Academic and Non-Academic)
  - Program Review Process
  - Curriculum

2019 – 2020 Academic Year

- During the 2019 – 2020 academic year, mentors will work with their mentees to make sure they are assessing the Communication and Critical and Creative Thinking ICC’s.
- Mentors will talk with their mentees to see if they have incorporated the stated changes from their 2018 – 2019 Assessment Plan recommendations to improve student learning for the Communication ICC.
- Mentors will start discussing the inclusion of the Civic Engagement and Social Responsibility ICC into their 2020 – 2021 Assessment Plan. Mentees will add the Civic Engagement and Social Responsibility ICC to their 2020 – 2021 Assessment Plan.
- Develop and approve the Critical and Creative Thinking ICC rubric for use during the ICC Immersion Experience in May 2020.
