South Central College

AIS 120  Dakota Culture, History and Language

Course Outcome Summary

Course Information
Description: This course is an introduction to the language, history and culture of the Dakota nation. Students will gain cultural, historical, and sociological knowledge and understanding of the Dakota nation through readings, lectures, guest speakers, and media. Students will learn some basic Dakota language skills. Students will be encouraged to engage critically on historical and contemporary issues and be inspired towards activism as they participate in service learning opportunities within the Native population. Various outside resources will be brought in to explore the Dakota language. (MNTC Goal Areas 7: Human Diversity and 9: Ethical and Civic Responsibility) (Prerequisites: Accuplacer Reading Comprehension score of 78 or above or completion of READ 0090)

Total Credits 3
