South Central College

AST 2921 Auto Lab 2

Course Outcome Summary

Course Information

Description
This course is designed to provide students an opportunity to develop practical automotive repair skills. Auto Lab provides shop time to complete projects required in the Automotive Service program. This is a hands-on, performance based course where students work on diagnosing, maintaining and repairing vehicles.

(Prerequisite: Admission to the Automotive Service program)

Total Credits 1
Total Hours 32
