MKT 1950 Special Topics in Marketing

Course Outcome Summary

Course Information

Description
All Special Topics in Marketing courses help students understand how marketing is part of and impacts consumers, business and society. Students will explore broad marketing concepts such as products, price, distribution and promotion through a specific topic of relevance. Any Special Topics in Marketing offering will be specially designed by an SCC Marketing instructor to appeal to SCC students. The instructor has chosen the subject material related to his or her interests, students' interests, or his or her teaching expertise.
