South Central College

SBMT 2422 Employee Compensation and Benefits

Course Outcome Summary

Course Information

Description
This class is designed to guide the business owner in establishing compensation and benefit packages for the employees. It is also designed to meet required federal and state regulation concerning the employment and protection of workers on-the-job. The class will focus on basic benefit options available to the small business owner and government regulations in the area of OSHA, ADA and Right-to-Know legislation.

Total Credits 2
Total Hours 24
