South Central College

SGAG 1000 Agribusiness Orientation

Course Outcome Summary

Course Information

Description
This course covers the information a beginning student in the agribusiness program should be aware of. The course includes career exploration, identifying personal, technical skills and knowledge needed in the agribusiness industry. Two important documents will be developed as a part of this course, an educational plan and a resume. You are required to present your career plan at the State PAS contest spring semester.

Total Credits 1
Total Hours 16

Pre/Corequisites
Enrolled in the Agribusiness Program

Institutional Core Competencies

Communication - Students will be able to demonstrate appropriate and effective interactions with others to achieve their personal, academic, and professional objectives.

Cultural Competence - Students will be able to demonstrate an attitude of personal curiosity, a rising knowledge of cultures, and an evolving range of skills for living and working among others with other worldviews and ways of life.
