Course Designator, Number and Title (i.e.: ACCT 1800, Business Law): NURS 1901 Transitions

Number of Credits: 1 credit

Prerequisites: Acceptance into the AD mobility nursing program

Course Description: This course is intended to assist students to transition from the role of the Licensed Practical Nurse to the Associate Degree Nurse. Transitional topics include differences in the scope of practice between the licensed practical nurse and the registered nurse. Program philosophy and framework are presented. The nursing process is used as a framework for critical thinking and problem solving. Current and future trends in healthcare will be explored. Legal and ethical issues as they related to nursing are discussed. Roles, functions, responsibilities, and practice settings for the LPN and Associate Degree Nurse will be compared and discussed.

Grading Method: Grade  Pass/Fail
