South Central College

MULT 2295 Multimedia Technology Internship

Common Course Outline

Course Information

Description
This course is designed to provide the student with a purposeful occupational experience in the Multimedia Technology field. Each internship is an individualized experience. A plan is created for each student in conjunction with the training site to provide experience related to the skills and knowledge acquired in the program. This plan is based on the college's and the program's core competencies. One credit of Internship is equal to 48 hours. Prerequisites: a grade of C- or higher in GCC 1220 Graphic Software 2; GCC 1250 Web/Interactive Media 1; ART 140 Digital Photography 1 and ART 170 Video Production 1 OR instructor permission.

Career Cluster
Arts, Communications, & Information Systems

Instructional Level
Associate Degree

Internship
1-3

Pre/Corequisites

Prerequisite
GCC 1220 Graphic Software 2; GCC 1250 Web/Interactive Media 1; and ART 170 Video Production 1 with a C- or better; OR advisor approval.

Institutional Core Competencies

1. Analysis and inquiry: Students will demonstrate an ability to analyze information from multiple sources and to raise pertinent questions regarding that information.

2. Critical and creative thinking: Students will develop the disposition and skills to strategize, gather, organize, create, refine, analyze, and evaluate the credibility of relevant information and ideas.

3. Ethical reasoning and action: Students will develop ethical and social responsibility to self and others, and will collaborate with others to address ethical and social issues in a sustainable manner.

4. Foundations and skills for lifelong learning: Students will display an understanding of learning as a lifelong process through demonstration of a desire to learn, the willingness to apply learning to other areas of their lives, the ability to think and act independently, be willing to take the initiative to get projects done, and demonstrate the ability to reflect upon what has occurred and how it impacts the student and others.
5 Teamwork and problem-solving: Students will demonstrate the ability to work together cohesively with diverse groups of persons, including working as a group to resolve any issues that arise.

6 Written and oral communication: Students will communicate effectively in a range of social, academic, and professional contexts using a variety of means, including written, oral, numeric/quantitative, graphic, and visual modes of communication.

**Course Competencies**

1 **Develop a foundation of work knowledge**
   - Learning Objectives
     - Demonstrate proficiency in all phases of work
     - Demonstrate proficiency in work-related tasks

2 **Develop a foundation of work quality**
   - Learning Objectives
     - Perform work tasks with accuracy
     - Perform work tasks with neatness
     - Complete the practical application of instruction to work situations

3 **Develop a foundation of work quantity**
   - Learning Objectives
     - Manage time in alignment with the amount of work done in relation to the amount given
     - Perform a predetermined amount of work expected in a reasonable time frame

4 **Develop a foundation of work attitudes**
   - Learning Objectives
     - Cooperate with customers, coworkers and managers
     - Develop positive relationships with customers and coworkers
     - Develop tolerance, stability, dependability, flexibility and attitude toward direction or instruction

5 **Develop a foundation of work habits**
   - Learning Objectives
     - Demonstrate punctuality while on the job
     - Perform work with professional quality
     - Demonstrate the care of business property
     - Demonstrate a clean personal appearance

6 **Develop work-related goals as established by the internship site, the intern and the internship coordinator.**
   - Learning Objectives
     - Write proposal of work and tasks to be completed by intern
     - Perform duties as outlined on proposal
     - Complete necessary paperwork

7 **Participate in final evaluation of work performed at internship site**
   - Learning Objectives
     - Review work completed during the internship
     - Self evaluate the work and performance while completing the internship

8 **Enhance personal, social and ethical responsibility**
Learning Objectives
Demonstrate civic knowledge and engagement
Demonstrate intercultural knowledge and competence
Perform ethical reasoning and action
Develop foundation and skills for lifelong learning

9 Enhance intellectual and practical skills

Learning Objectives
Demonstrate teamwork and problem-solving skills
Analyze and inquire information
Perform critical and creative thinking
Demonstrate written and oral communication skills
