Social Services Abstracts (SSA) is a database of summaries/abstracts of articles. This means you will have to request those articles through interlibrary loan.

The following directions will walk you through the process.

Search for an article on SSA. Click on the title of the article you want:

On the right side of the record, click on the link that says “Find Full Text with PALSConnect Linker.”
You will come to a screen that looks like the one below. Click the link that says “Check other library catalogues or request an interlibrary loan.”

Click the button that says “Send Request.”
It will prompt you to login in with your barcode from the back of your student id. If you don’t have one, and haven’t contacted a librarian to get a number assigned to you, email library@southcentral.edu and include your full name, SCC Tech ID number, and a sentence explaining that you would like to be able to login in to electronic resources.

You are searching: MnPALS Union Catalog

Please identify yourself:

User ID/Barcode:                         (14 digit number from Student/Library ID card)
Password:                               (Usually Last Name)

You will receive an email in a few days that will either have:

1) A link to the electronic copy OR
2) A notice that your item needs to be picked up at your library. If you are a distance student and live close to another MnSCU library, let us know and we can send it to that library.

Check your junk mail/spam folder if you don’t see this email in two or three days.
