

What is HIPAA?

HIPAA is the acronym used for the Health Insurance Portability and Accountability Act of 1996. HIPAA addresses many issues with health insurance and health care information including the security and privacy of health data.

How to access the HIPAA training website:

1. Use this link to access HIPAA training
<https://data-securitytraining.dhs.mn.gov>

2. Select: "Login as Guest"

3. Complete the following 3 training modules:

- "Data Security and Privacy"
- "How to Protect Information"
- "Managing Information Security Problems"

Home
