New Course or Course Change Proposal Form

Date of Proposal: December 19, 2012						
Author: Wes Taylor						
Proposal Type:	(*)New Course		Modify Course	Delete Course		
Contact for the Course: Wes Taylor						
Course Designator, Number and Title (i.e.: ACCT 1800, Business Law): ART 170, Digital Video Production						
Number of Credits: 3						
Prerequisites: none						
Course Description: This course introduces students to the fundamentals of digital video production. Students will learn how to produce digital video productions utilizing story-boarding, lighting and shooting techniques. Students will use video and audio editing software to import, assemble and edit clips, add transitions, create super-impositions and titles in finished video productions. In addition, they will learn hardware set-up, capturing techniques and video compression schemes as they output their work to various video formats. The course also examines the history and application of video in contemporary art, documentary, film and television production.						
Grading Method:	Grade - X			Pass/Fail
