Importance of the evaluation:

Your honest and fair answers to these questions are important as they will be used by your instructor for course improvement purposes. Evaluate this course on the following scales by filling in the circle for the appropriate response to each question. **Use a dark blue or black pen, not pencil,** to complete the evaluation. Please fill in the circles completely.

Thank you for your feedback!

Instructor Name: _____

1. I had opportunities to:

	Strongly Agree		Strongly Disagree	N/A	
a. advocate for patient and families in ways that promote their self-determination, integrity, and ongoing growth as human beings.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
b. learn how to make nursing judgments in practice, substantiated with evidence, that integrate science into the provision of safe, quality patient care.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
c. implement my role as a nurse in ways that reflect integrity, responsibility and ethical practices with safe, quality care for diverse patient populations.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
d. integrate evidence-based practice with caring, advocacy, and nursing judgment.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
e. recognize the patient or designee as the source of control and full partner in providing coordinated and compassionate care based on respect for the patients' preferences, values and needs.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
f. function effectively within nursing and inter-professional teams, fostering open communication, mutual respect, and shared decision-making to achieve quality patient care.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
g. identify safety measures that minimize risk of harm to patients and providers.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
h. use information and technology to communicate, manage knowledge, decrease errors, and support decision making.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
i. create individualized care plans that utilize the nursing process.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
j. use therapeutic communication with patients, families, and healthcare team members.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
k. perform comprehensive assessments on patients within a healthcare setting.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N
l. employ critical thinking to demonstrate appropriate clinical decisions based upon the nursing process.	<input type="radio"/> 4	<input type="radio"/> 3	<input type="radio"/> 2	<input type="radio"/> 1	<input type="radio"/> N

Please turn over and continue -

2. Please rate your clinical setting and instructor:

	Strongly Agree		Strongly Disagree	N/A	
a. The clinical setting offered adequate learning opportunities to meet the course objectives.	④	③	②	①	Ⓝ
b. My instructor was knowledgeable about the patient care within the clinical setting.	④	③	②	①	Ⓝ
c. My instructor was reasonably available to me by various communication methods.	④	③	②	①	Ⓝ
d. My instructor served as a positive role model for the practice of professional nursing.	④	③	②	①	Ⓝ
e. This course was beneficial to my progress through the SCC registered nursing program.	④	③	②	①	Ⓝ
f. Course curriculum incorporated diversity and cultural competency concepts.	④	③	②	①	Ⓝ
