

President's Message

It is a privilege to serve as the President of South Central College Faribault Campus Foundation Board of Directors. On behalf of the Board members, SCC faculty, staff, and students I want to extend a genuine and sincere thank you to all who partner with SCC to make education available and affordable in our local community.

We are a community that values education and the investments made in our students today will have a long-lasting impact. Many generous individuals and businesses continue to provide support (time, resources, equipment, funding) to ensure cost-effective educational opportunities exist in Faribault. It is exciting to see the caliber of talent committed to furthering their education at SCC. I am just excited to see those same students join our workforce with all the necessary skills needed to expand and grow our local economy.

SCC Faribault Campus Foundation had an eventful year. Gene Buhr, Fund Drive Chair, led the efforts of 44 community volunteers to raise \$222,000. Thank you to all who supported the foundation through your generous gifts and time. One hundred twenty deserving students received the gift of a scholarship to support their desire to enhance their skills and talents at SCC to impact the future.

Thank you to all who continue to provide support to the Foundation's mission of supporting higher education and training at SCC. We had a successful year because of the support provided by many individuals and businesses. For those currently involved and engaged in the Foundation, thank you. For those looking to make a difference one scholarship at a time, please connect with the Foundation. I am sure you will find it a very rewarding experience.

Sincerely,

Rick Miller
SCC Foundation Board President 2018-2019
