

Petition for Dependent Student to Receive Unsubsidized Federal Direct Loan Only for 2023-2024

Name: _____

Student or STAR ID _____

Email Address: _____

Phone Number _____

I am petitioning the Financial Aid Office to consider my eligibility for a Federal Unsubsidized Direct Loan due to being a dependent student (based on the federal financial aid definition) and my parent refusal to provide their information on the FAFSA (Free Application for Federal Student Aid).

Federal law says that a dependent student (based on the federal financial aid definition) whose parents (both mother and father) have permanently ended all financial support of the student and refuse to complete the parent section of the FAFSA, may be eligible for **ONLY** a Federal Unsubsidized Direct Loan at the dependent yearly loan limits. No other aid is allowed. The South Central College Financial Aid Office will make the final determination whether or not to allow the student to borrow a Federal Unsubsidized Direct Loan without parental information.

In order for this petition to be considered, you MUST complete the front of this form and attach ALL the documentation requested on the back of this form. South Central College must have already received the results of your 2023-2024 FAFSA application.

I certify that all of the information stated in the letters attached concerning my request for an unsubsidized Federal Direct Loan due to my parent(s) refusal to provide their information is true and complete.
