

SPECIAL CIRCUMSTANCE APPLICATION Dependent Student for 2021-2022

According to federal laws and regulations, a family's 2019 income is used to assess financial need for the 2021-2022 school year. If a family's 2021 income is lower, due to special circumstances, a financial aid administrator may be able to use 2021 income to assess financial need. Your special circumstance application will be returned if all requested information outlined is not provided. Special circumstances, if accepted, may result in an increase in need-based loans, student employment, or in certain cases, additional grant assistance. *Turnaround time for special circumstance appeals is 2-4 weeks.*
