

# SCC Standard Computers & Peripherals

## Laptops

*Laptops are offered to South Central College Faculty or Staff who would benefit from added mobility due to the changing technology climate on campus. These laptops would replace any existing machine and serve as the primary computer for any user. Two different models are offered and supported, read more about them below.*

### HP EliteBook 840 G5

*This laptop is for users who prefer a slightly smaller profile and lighter weight laptop.*

14" screen  
Intel Core i5-8250U  
Intel HD 620 Graphics  
8 GB RAM  
256 GB PCIe Solid State Drive  
14 " FHD (1920x1080) Anti-Glare LED  
720p TripleMic Webcam

### HP EliteBook 850 G5

*This laptop is for users who prefer the built in numeric '10-key' keyboard with a larger screen*

15" screen  
Intel Core i5-8250U  
Intel HD 620 Graphics  
8 GB RAM  
256 GB PCIe Solid State Drive  
15.6 " FHD (1920x1080) Anti-Glare LED  
720p TripleMic Webcam  
Numeric keypad

## Desktop

*Desktops will be offered to employees when the mobility of laptops are not necessary or practical.*

### HP ProDesk 600 G4 Desktop

Intel Core i5 8500T with Intel HD 620 Graphics  
8 GB RAM  
256GB M.2 2280 PCIe Solid State Drive  
Wired Keyboard and Mouse

## Peripherals

*Employees who receive a laptop can choose to be provided with a laptop dock, wired keyboard, and wired mouse and optional monitor. Employees with either a desktop or laptop can request a dual monitor setup. Dual monitor requests will be filled based on work need first, then secondly on monitor availability.*

### 21" HP Monitor

### Dock

Docks will support two monitors, ethernet, and multiple USB ports.

### Wired Keyboard/Mouse
