

Graduation/Attrition Rates

South Central College Medical Laboratory Technician faculty are committed to helping students meet their educational goals. Over the past 3 years our average completion rate was 95% for students who entered their final year of study and went on to obtain their AAS degree in Medical Laboratory Technician.

Year	Students began the final half of MLT Major	Graduates	Attrition Rate	Completion Rate
2023	7	6	14%	85%
2024	9	9	0%	100%
2025	3	2	0%	100%
