AAS 2507/3507 Early Childhood Education

Program Information

Instructional Level Associate Degree

Career Cluster Human Services

Description

The Early Childhood Education Associate of Applied Science (AAS) Degree is designed to prepare individuals for employment in a variety of early childhood and educational settings as early childhood teachers, family child care providers, nannies, directors or site coordinators, and paraprofessionals within a school system.

Education for early childhood licensure is provided by South Central College according to the Minnesota Department of Human Services educational requirements. Students learn about child growth and development, positive child guidance strategies, providing safe environments, maintaining children's health, enhancing literacy, cultural sensitivity, children's mental health, special education, and best practices for promoting developmentally appropriate learning experiences for young children.

The AAS degree in Early Childhood Education can be transferred seamlessly to the University of Wisconsin-River Falls to pursue a Bachelor's Degree in Early Childhood Education, with or without certification.
