## Basic Rider Course (BRC) \$195

Learn how to ride, and earn your motorcycle license endorsement in this 14.5-hour course featuring 10 hours of on-cycle training and 4.5 hours of class-room training. Supportive and friendly instructors will teach you how to operate a motorcycle and the basic skills you need to safely ride on the street. Training motorcycles are provided for riders of all sizes. If you're an automatic scooter rider you can bring your own scooter with proof of insurance if it's 500cc or less, 400 pounds or less, in good working order and registered as a motorcycle. Students are required to complete the MSF eCourse online within 30 days prior to the class start date. Students can take the eCourse for free and will receive instructions from the training site where they are registered. Minnesota law requires motorcyclists under age 18 to pass an approved Rider Skills Training course. While no previous motorcycle riding experience is required, it can be beneficial. Students must be able to ride a bicycle and must possess a valid driver's license or motor vehicle instruction permit. Each student must furnish his or her own protective clothing and DOT-approved helmet. 100% attendance is mandatory.

**100% attendance is mandatory and students must pass a skills test on the final day of class.**

**If you are 18 years of age or older, you must obtain a motorcycle permit prior to taking the BRC. Upon a PASS status of the course, present your stamped permit at the DVS for full endorsement.**
