# MSHA Annual Refresher

This 8-hour course is designed to align with MSHA Part 46 and Part 48 annual refresher training requirements for **surface mining operations**. If you require an experienced miner or an underground refresher, please contact Robert Weston; robert.weston@southcentral.edu.

This refresher course is required for employees who work under the jurisdiction of the Mine Safety and Health Administration (MSHA). In addition to all coal, metal, and non-metal mining operations, companies and individuals who service the mining industry are also covered under this requirement.

Participants must be registered at least one week before the session begins.

Cancellations or transfers will be accepted no less than 3 business days prior to the first date of the class.

The most up-to-date schedule can be found online at [www.southcentral.edu/msha](http://www.southcentral.edu/msha)
