

South Central College Program Design

AS 2195/3195 Accounting Transfer Pathway

Program Information

Instructional Level Associate Degree

Description

The Accounting Transfer Pathway program offers students a powerful option: the opportunity to complete an Associate of Science degree with course credits that directly transfer to designated Accounting bachelor's degree programs at Minnesota State Universities.* The curriculum has been specifically designed so that students completing this pathway degree and transferring to one of the seven Minnesota State universities enter the university with junior-year status. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field. *Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University; Mankato; Minnesota State University Moorhead; Southwest State University; St. Cloud State University; and Winona State University.

Background Check Requirements

Spring and Fall

Program Location (North Mankato and/or Faribault)

North Mankato and Faribault

Program Student Learning Outcomes

- 1 Analyze financial information and make business decisions using critical thinking and problem solving skills
- 2 Communicate effectively, in oral and written forms.
- 3 Understand and apply the appropriate application of computer technology to complete accounting functions.
- 4 Apply the conceptual framework of accounting, generally accepted accounting principles, the code of ethics and current laws pertaining to accounting.
- 5 Understand and comply with income tax law and payroll tax law.
