CERT 2110/CERT 3122 Advanced Farm Business Management

Program Information

Instructional Level Certificate

Career Cluster Agriculture, Food & Natural Resources

Description

The Advanced Farm Business Management Certificate is designed for learners who have completed the full Farm Business management program and wish to continue to update their management skills in the rapidly changing and challenging area of farm business management. Similar to Farm Business Management, most learners in the Advanced Farm Business Management program will enroll as part-time students and will carry 10 credits per academic year.

Program Admission Dates (Fall and/or Spring)

Fall, Spring, and Summer Semester.

Program Location (North Mankato and/or Faribault)

North Mankato and Faribault

Program Student Learning Outcomes

- 1 Students will develop and implement strategies in risk management.
- 2 Students will develop and implement a strategic plan relating to financial management.
- 3 Students will develop and implement a business plan.
- 4 Students will explore current issues involving Farm Business Management and discuss how they affect their current operation.
