LIFESAVER FUND

Be a Lifesaver

Despite their best planning, there are times in the lives of our students when unexpected financial difficulties arise. The SCC Lifesaver Fund is an emergency grant program to help students pay unforeseen expenses that could lead to them dropping out of college for the semester.

For those who qualify, the South Central College Foundations will cover up to \$500 of critical expenses such as utility shut-off, emergency vehicle repairs, medical bills and more.

SCC Lifesaver Fund

Application is now open.

The SCC Lifesaver Fund is an emergency grant program available to low-income students to pay for unforeseen expenses that could lead to dropping out of college for either Fall semester or Spring semester. You must be receiving a Federal Pell Grant during the semester the request is made. For those who qualify, South Central College Foundations will cover up to \$500 (maximum per person) of critical expenses such as an accident, utility shut-off, vehicle repairs, medical bills and more. Failure to apply for financial aid in a timely manner will not be considered as emergency. Payment to third party vendors are made within 48 hours of the award decision.

LIFESAVER FUND

... supporting documents with your application. Documents could include a repair estimate, utility bill, late notice, a letter or support from a parent/guardian. The request should also include a letter explaining your unique situation. Requests not meeting the criteria for the request will not be reviewed.
